Fresh Start Online Subscription

The Online Subscription means that pupils can make faster progress.

We keep you up to date with our latest improvements - films are added to the portal throughout the year.

Bite-size training films

- Plan and practise the next day's lesson at all stages of the programme.
- Practise tutoring your slowest progress readers – including pupils with SEND.
- Train new staff.

Virtual Classroom films

- Use during lessons to assess pupils's progress and improve teaching.
- Give pupils extra individual practice.
- Send home the lessons you have taught each week.

In-action films

- Watch experienced teachers teach every activity.

Two-hour remote Getting Started session

We show one/ two tutors and the reading leader how to use the Online Subscription.

Leadership Implementation Day

The leadership implementation day sets the scene. We show the reading leader the *systems* necessary to get going.

Development Day

The trainer works in school with the reading leader, tutors and pupils while the school is open.

The trainer shows how to:

- analyse current data
- organise the daily one-to-one teaching
- run practice sessions
- coach reading teachers
- use the Virtual Classroom at school and at home.

Remote progress meetings

The hour-long Remote progress meetings are with the reading leader and headteacher, held via Teams or Zoom.

They take place every term, following the recent assessments that have been downloaded on the School Portal.

We discuss the progress data and decide the next steps for practice and coaching, and the next steps for pupils.

Face-to-face training day

We show your staff step by step how to teach Fresh Start.

This requires all staff to attend, so is likely to need a closure day.
