

Read Write Inc. Phonics

Blended Training Package

The Blended package includes:

1. Online Subscription
2. Leadership Implementation Day
3. Face-to-face training day
4. Development Day
5. Remote progress meetings

1. Online Subscription

The Online Subscription means that children can make faster progress – every day.

We keep you up to date with our latest improvements - films are added to the portal throughout the year.

Bite-size training films

- Plan and practise the next day's lesson at all stages of the programme.
- Practise tutoring your slowest progress readers – including children with SEND.
- Create training pathways that match individual staff training needs.
- Use Fresh Start training to support struggling readers in Years 5 and 6.
- Train new staff – avoid the cost and wait for regional training.

Virtual Classroom films

- Use during lessons to assess children's progress and improve teaching.
- Give children extra individual practice.
- Continue lessons even when a supply teacher is taking the class.
- Send home the lessons you have taught each week.

In-action films

- Watch experienced *Read Write Inc.* teachers teach every activity using our behaviour strategies.

2. Leadership Implementation Day

The Leadership Implementation Day sets the scene. We show the headteacher, deputy, reading leader and reception teacher the *systems* necessary to get going.

This does not require a school closure.

3. Face-to-face training day

We show your staff step by step how to teach reading from the moment a child steps into your school – whatever their age.

This requires all staff to attend, so is likely to need a closure day.

4. Development Day

The trainer works in school with the reading leader, teachers and children while the school is open.

The trainer shows how to:

- analyse current data
- check children are grouped homogeneously
- organise the daily one-to-one tuition
- run weekly practice sessions
- coach reading teachers
- set online training pathways
- send the Virtual Classroom at school and at home.

5. Remote progress meetings

The hour-long Remote progress meetings are with the reading leader and headteacher, held via Teams or Zoom.

They take place every term, following the recent assessments that have been downloaded on the School Portal.

We discuss the progress data and decide the next steps for practise and coaching, and the next steps for children who are receiving tutoring.
